Pressure Ulcer Prevention Resolution passes at RNAO Annual General Meeting 2011

We are pleased to announce that the OntWIG resolution submitted at the Annual General Meeting (AGM) of the RNAO in April 2011 was approved. We will continue to work with RNAO to shape the implementation of this resolution over the next year. Many thanks to the members who identified this strategy as a priority for the board as well as those who provided input during the annual symposium in October 2010. The resolution is as follows:

We are pleased to announce that the OntWIG resolution submitted at the Annual General Meeting (AGM) of the RNAO in April 2011 was approved. We will continue to work with RNAO to shape the implementation of this resolution over the next year. Many thanks to the members who identified this strategy as a priority for the board as well as those who provided input during the annual symposium in October 2010.
